

Hospice of Kona Foundation supports Hospice of Kona, Nakamaru Hale, and the Maluihi Grief Center. It works to raise community awareness and funds in support of Hospice of Kona's services, programs and it's mission to provide family-centered support, education, and care for those approaching end of life.

Nakamaru Hale offers a housing sanctuary to ease suffering. It provides an environment where symptoms can be relieved comfortably, consequently improving quality of life and preserving dignity, during one of life's most difficult journeys.

Maluihi Grief Center provides individual counseling, group support and memorial events designed for those who have experienced the death of a loved one, including hospice families, children and adults, and community members.

There are many ways to contribute and all are greatly appreciated!

We graciously accept monetary contributions, memorials, securities, real estate, bequests, and others. Or you can donate your time and effort for any of our programs.

You can also support Hospice of Kona when purchasing items from Memory Lane, Memory Lane Too, or Amazon.com. Or by booking a flight on Hawaiian Airlines.

ABOUT CAMP ERIN

Uncle Earl opens camp

Camp Erin® HAWAII is a free, weekend bereavement camp for youth who are grieving the death of a significant person in their lives.

Children and teens ages 6 to 17 attend a weekend camp experience that combines grief education, emotional support, traditional camp activities, and FUN.

Led by bereavement professionals and caring volunteers, campers are provided a safe environment to explore their grief, learn essential coping skills, and make friends with peers who are also grieving.

In response COVID-19, Camp Erin's priority has been the safety and well-being of campers, families, and volunteers. Camp Erin® leadership will communicate our safety practices prior to the camp program.
